Fitness Uniform:

Each applicant will be in the correct uniform for fitness testing. The fitness uniform is navy blue shorts and/or gray sweatpants, white crew neck T-shirt and/or gray sweatshirt, white socks, and Cross-training/athletic/running shoes. *Last names should be printed on T-shirts and gray sweatshirts in two-inch iron-on black lettering.* **NOTE: If applicants are in the wrong uniform, the applicant may be sent home.**

Travel:

Travel will be the responsibility of the recruit or his/her department.

Housing:

Academy students whose home agency is in excess of forty (40) miles, as computed by the Commission, from the Criminal Justice Training Center are considered noncommuting attendees. These students are therefore eligible to receive full meal service and lodging as provided by the WSCJTC, as outlined in RCW 43.101.200 (2). *“Except as otherwise provided in this chapter, the commission shall provide the aforementioned training together with necessary facilities, supplies, materials, and the board and room of noncommuting attendees for seven days per week.”* The WSCJTC will notify students of such eligibility before Academy attendance. If an eligible student declines live-in status, or wishes to make alternative arrangements, such as residing with family or friend, the WSCJTC must be notified as early as possible and before Academy attendance.

Eligible live-in recruits should carefully review Appendix A of the enclosed Rules and Regulations regarding their residency. Linens will be provided. Recruits are required to provide their own towels, laundry soap, and toiletries.

Live-in recruits are required to check in at the reception desk on the day prior to Day One of the academy at 2:00 p.m. If you are unable to check in at this time, please contact the Commander’s Assistant at (206) 835-7299 by 4:00 p.m. on the Thursday prior.

THESE INSTRUCTIONS MUST BE KEPT FOR THE RECRUIT'S NOTEBOOK

Day One Arrival: On the first day of the Academy, recruits report to class at the time designated by the TAC Officer during the briefing held the day of the Physical Agility Test (PAT). All satellite fitness candidates need to contact the Commander's Assistant at (206) 835-7299 for designated time.

Firearms – General: These rules will be in effect while on campus:

- ☐ At no time will firearms be left unattended in a vehicle.
- ☐ Firearms will be unloaded only at the designated load/unload stations. There are three load/unload stations on campus; one at the south entrance of Dormitory One, two at the Range.
- ☐ Loaded handguns will be carried in a holster secured to the person.
- ☐ Unloaded handguns will be carried or transported either in a holster or in the OEM box or other security box.
- ☐ Handguns will be unloaded prior to storage in the gun lockers.
- ☐ No ammunition will be left in the gun lockers overnight or weekends.

**Firearms –
Transport and
Storage:**

Agencies are encouraged NOT to send firearms or ammunition with their recruits during week one in order for the firearms staff to provide the prerequisite instruction with respect to firearms storage and the rules governing firearms on campus.

Although firearms will NOT be required during the first few weeks of the recruit's training, we realize that some recruits will be required by agency policy to be armed when arriving on campus. The following instructions are provided for recruits arriving on campus armed:

Armed recruits staying in the dormitory:

At the time of check-in on Sunday afternoon, Facilities Staff will issue dormitory gun lockers. The dormitory gun lockers are located on the first floor of Dormitory One. Individual room keys will provide access to the gun locker room. The facility staff are not instructors so is it imperative that agencies provide the prerequisite training to those arriving on campus with firearms to ensure the safe handling, transportation and unloading of their firearm.

Armed recruits commuting daily:

When first arriving on campus Monday morning, recruits will immediately contact a member of the Range or TAC Staff who will provide instructions for the unloading and storage of the firearm.

--UNTIL TOLD TO DO SO, DO NOT BRING AMMUNITION TO THE ACADEMY--

Smoking: Smoking is prohibited in any building at the WSCJTC and any motel or lodging accommodation provided by the Commission to any recruit of any Commission sponsored training program.

Meals: Full food service will be provided to the eligible live-in recruits. These services include breakfast, lunch, and dinner, Monday through Thursday, and breakfast and lunch on Friday.

NOTE: *Meal reimbursement is available to Academy attendees that live and/or work in excess of 100 miles from the Training Center, and reside at Commission housing for the entire period for which meal reimbursement is claimed.*

Attendance: Recruits are required to attend all sessions of the course except when absences are approved by the Academy staff. Attendance and tardiness records will be maintained and will be reflected in written evaluations, which are provided to the agency head. Unexcused absences and excessive tardiness may result in suspension or termination.

For absences due to sickness or emergencies, recruits are required to notify the TAC officer or the Academy sergeant, and his/her department, on the day of the absence prior to class time.

THESE INSTRUCTIONS MUST BE KEPT FOR THE RECRUIT'S NOTEBOOK

Discipline:

Discipline at the Academy must, necessarily, be strict. Your conduct in and out of the classroom while attending this Academy reflects on law enforcement in this community and in general. Please do nothing to degrade law enforcement, but seek every opportunity to enhance it.

**Responsibility
For Injuries:**

Although the director and staff of the WSCJTC and instructors will at all times maintain a high degree of care for the safety of all persons attending the Academy, it must, of course, be understood that neither the WSCJTC nor any of the cooperating agencies can or will assume financial responsibility for injuries or illness suffered as a result of any training received, nor can or will be responsible for any loss to recruits as a result of damage to their property through fire, theft, or other causes. Each recruit must understand that this training is at his/her own risk.

Telephone:

Recruits should advise their families and departments how to reach them in the event of an emergency. Please have the caller identify the recruit by name and by class session number.
